The rules state that 50% of each category goes through to the semi finals with a maximum of 8. The result of this calculation will be rounded off. E.g. 5,25 = 5 and 5,50 = 6.

The players who are qualified (according to the rules) for the semi finals are highlighted. Be aware though when a player is wrongly categorized, it can have affect on the number of players who are qualified. So always check if a player is in the right category following the individual licence average.
